FOREWORD

Around the subject that is discussed when prohibition and women do not figure in fraternity houses and dates and campus news in sorority houses—

Around the elusive something that makes us believe in the wonder of the out-of-doors, the serenity of the planes, the strength of the hills, the silence of the night, the inspiration of the stars—

Around the thing that makes us doubt and question life—yet makes us seek understanding—

Around the page of this book we have woven the purple thread of religion.

Kathleen Kinnamon.

Pi Mu Theta was founded in May 1914 under the direction of Dr. Grace Patten Conant, head of the English Department at that time. It was organized to promote scholarship and participation in college activities.

The purpose of this organization is the preservation of the ideals and traditions of Millikin, and aiding, in any way possible, activities which are for the betterment of the University.

JUNIOR CLASS

In the fall of 1926 the expected class of Freshmen enrolled in James Millikin University. As members of that class we like to think we were just a little more intelligent, on the general average, than the proverbial "Green-ones" because among those who registered were twenty-five scholarship students chosen from the upper fifth of classes graduated from high schools in Decatur and other towns of Illinois.

In this, our Junior year, we have given the Junior tea under the direction and management of our vice president; and the main social event of our class, the Junior Prom, was held in the ballroom of the Orlando Hotel.

As to our future—only the Fates can tell, and they are silent. We must wait and see.

The annual Frosh-Soph scrap was as usual but it rained unnecessarily more than usual. The first year boys carried off all the honors for their events, but the Soph girls were the victors in hockey.

The customary cotillion was held March 8th in the newly decorated Hotel Orlando rooms. Two hundred fifty people attended while Lew Hogan's orchestra played.

Playing before an auditorium filled with alumni, students, and townspeople, the Vagabond Players of Millikin on Friday evening presented the three act comedy, "Kempy", to the largest audience for several years, which has come to see a dramatic production by Millikin students. The play was a fitting close to the first day of an enjoyable homecoming. Smoothness of the action on the stage showed the results of careful planning by Prof. Rupel Jones who coached the play.

STYLE SHOW

The fifth annual Home Economics Department Fashion Show was presented in the Millikin auditorium Tuesday evening, March twenty-sixth.

The background for the fashion parade was a modernistic setting of black, gray and silver. The first part of the program depicted the development of fashions throughout the centuries, consisting of Egyptian, Grecian, Middle Age, French, Colonial and lastly Modern periods, which were represented by dances and still-life scenes.

The second portion of the program was devoted to the modeling of costumes made in the Home Economics department and followed by the modeling of costumes from various Decatur stores.

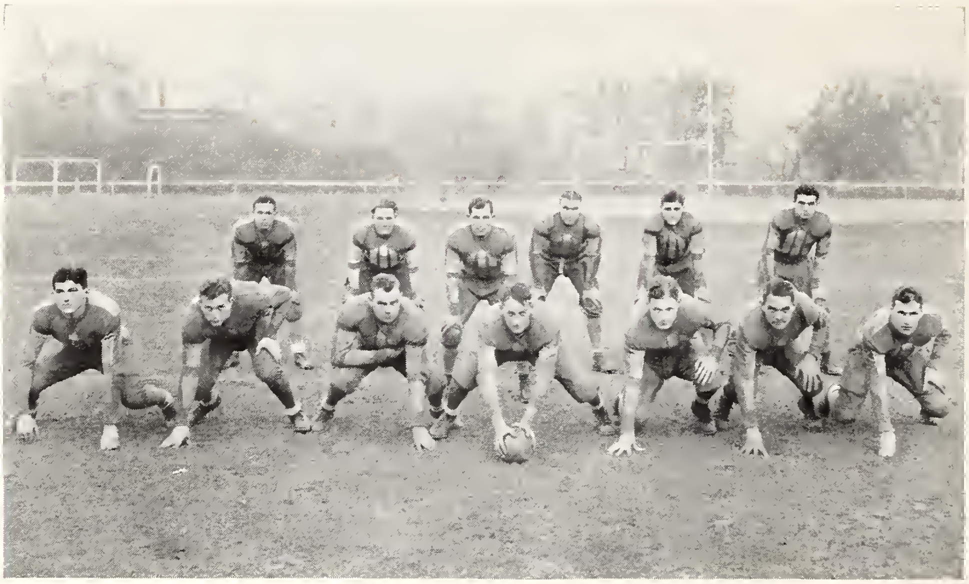
The Staff wishes to dedicate the athletic section of this, the 1930 Millidek, to Clarence "Bud" Flint, who so prominently has exemplified that typical Millikin Fighting Spirit. Even though he was forced out of football on account of a severe injury, that did not quell his spirit, for he gave every possible effort in helping Coaches Johnson and Gill build a championship machine. It is because of such men as he that famous lines are written of Millikin teams—"and the Blue line held"—"a typical fighting team."

"Bud" was an all-Conference Tackle on the 1927 team which, as Leo Johnson said at the football banquet at the close of the 1927 season, was the "fightingest team I ever coached." Millikin teams seem to increase that spirit from year to year, and if we have more men of the type of "Bud," King Leo can qualify that statement every year.

FOOTBALL



Vise, Adamson, Hankins, Davis, Corbett, Sockler
Doty, Richey, Burt, Collins, Chizevski, Gidcomb, Van Dyne

Every pound represented in the above picture represents that much fighting power and about one hundredth of the determination as showed by the Big Blue during the 1928 Football season. You can have your "Fighting Illini," your "Hawks" or your "Crimson Tide," but we will take our "Fighting Blue" in spite Heaven, Hell or Hoboken. Such men as these have spread the fame of Millikin from coast to coast, from Canada to the Gulf and everywhere you read of them you will find a typical Millikin slogan.

The men in the above picture are the ones who carried the brunt of Millikin's attacks on their opposition. The men have all sworn off on ties (not neckwear) and are going to win every game next year. Power to you, Big Blue.

We must not forget that a big slice of the credit for a championship team goes to the ever-alert coaches—Johnson and Gill—the long and short of Millikin's athletics.

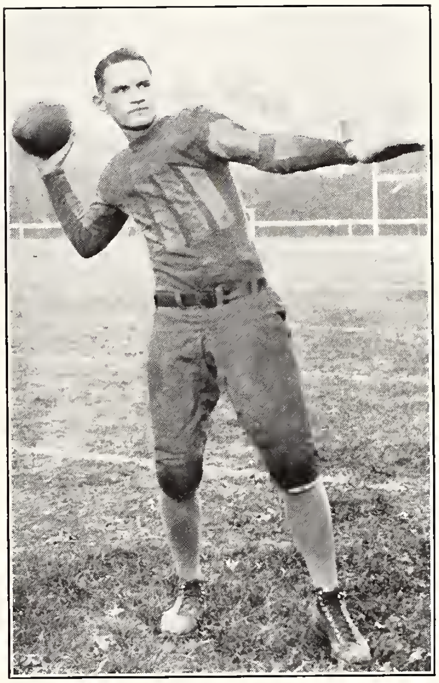
MILLIKIN, 3; LOYOLA, 0

A wiry little freshman named Burdette Corbett, who during the course of the season became Millikin's greatest offensive threat and also received little 19 all-star honors, was responsible for the Blue's opening victory of the season. With only 15 seconds or so remaining in the game with Loyola and both elevens without a score, the dark headed flash from Arthur booted the ball over the posts for a field goal and a 3 to 0 victory. It was Millikin's first victory over Loyola in four meetings between the two.

MILLIKIN, 6; WABASH, 6

A surprise aerial attack in the opening minutes of play netted Millikin a 6 to 6 tie with the strong Wabash College gridders. Hankins tossed the ball 38 yards to Sockler, a few line plays followed and then Gidcomb flung the pigskin over the goal line and into the waiting arms of Guy Arnett. The Blue's defense stood out during the remainder of the game and although the "Little Giants" made four direct scoring treats, Brook's 35 yard dash resulting in the only touchdown. The play of Glenn Burt and Stan Vise was the feature of the day.



Englebert Gidcomb
Captain-Elect — Tackle

MILLIKIN, 62; LINCOLN, 0

The first night football game to be staged in the state of Illinois was won by the Millikin athletes who romped through the slush and mire to trounce Lincoln, 62 to 0. Coach Leo Johnson started his second team and employed them until the latter part of the last quarter. Blanck was the sensation of the night, running 62 yards for a touchdown once and 20 yards another time. Adamson scored three markers, Vise two, Woods two, and McGuire one.

Glenn Burt
Guard

MILLIKIN, 14; BRADLEY, 6

Homecomers were given a real treat when Millikin sunk its enemy from Bradley by a 14 to 6 score. Corbett's running bewildered Bradley and gave the Blue its two touchdowns—one a 37 yard sprint through the mud and another a 4 yard ramble. An intentional safety gave Millikin two points more. Bradley's points came about when Corbett's punt from his three yard line was blocked and after changing hands alternately with representatives of the opposing teams, Ellness fell on it behind the line.

MILLIKIN, 12; CHARLESTON, 12

In the second conference tilt at Charleston, the Boys in Blue were not quite up to form and only emerged with a 12-12 tie in a game that featured twelve first downs for Millikin, to the Teachers' five. Sockler bore the brunt of the attack and scored in the first quarter, while Doty ran the ball over for the other counter. "Giddy" played one of his best games in the line, and Capt. Van Dyne was a tower of strength at end until injuries forced him out of the game. As a result of the tie and an otherwise clear record, Charleston claimed a share of the championship, but the scores of the two teams for the season clearly show Millikin's superiority.

MILLIKIN, 6; WESLEYAN, 2

The game with Wesleyan, Millikin's traditional rivals, at Bloomington, proved to be one of the fiercest struggles on the schedule. It was anybody's game until the final whistle, with the Green taking the initiative with a two-point lead which was overcome by the Blue's one touchdown. A beautiful pass, Gidcomb to Arnett, followed by a couple of line plays, scored for Millikin. Wesleyan twice carried the ball to the Blue six-inch line, but "the Blue line held."

MILLIKIN, 25; ILLINOIS COLLEGE, 0

In spite of a sea of mud which made good football difficult, the Blue Machine functioned in superior fashion against Illinois College when it marched through and around the boys from Jacksonville to a 25 to 0 decision. It was difficult to pick stars in this game. The line held

or tore holes in the opposition and the backs ran wild. Corbett and Vise turned in three touchdowns and Blanck, reserve back, one.

MILLIKIN, 19; ST. VIATOR, 0

Coming as an anti-climax, the game with St. Viator at Burbonnais only demonstrated more completely the superiority of the conference champions. The fighting Irish fell before the Blue invasion to the tune of 19-0 and never threatened the Little 19 Champs.

Although the powers did not see fit to bestow two consecutive championships upon the Blue athletes during the 1928-29 season, Millikin's heroes of the hardwood placed well up in the Little Nineteen conference.

With five lettermen as a nucleus around which to build his conference basketball threat, Coach Wayne (Hank) Gill developed a team which showed marked improvement over last season's record. The boys recorded seven victories in 12 starts against Little 19 foes and in so doing registered 356 points against their opponents' 318.

It is expected that with all lettermen returning for next year's campaigning, the Blue will make a strong bid for the championship. Ten men won the "M" in basketball competition during 1928-29.

Five non-conference games preceded the Little 19 opening. Four went on the Millikin victory calendar while one was recorded in the defeat column.

The initial contest of the season proved a farce, the J. M. U. quint romping over Concordia for a 66 to 12 triumph. Two interesting tilts with Sparks College followed, Millikin copping them both. On December 22 the North Dakota Aggies invaded the Millikin stronghold only to be turned back by a 28 to 21 margin.

Loyola of Chicago gave "Hank" Gill's boys their first taste of defeat on January 3. Rated as one of the best teams in the middle west, the Chicagoans took an early lead and trimmed the Blue, 37 to 18. The game gave Coach Gill a chance to test the strength of his several combinations before the conference opener.

MILLIKIN, 47; LINCOLN, 24

The Blue showed great possibilities in this contest, although it was a one-sided affair. Merkleback led the point-scoring with six field goals and three free throws.

MILLIKIN, 24; ST. VIATOR, 23

Coach Gill's athletes annexed their second straight conference triumph after a thrilling overtime scrap with St. Viator. Gregg Shoaff's free toss decided the game in favor of Millikin. Red Holmes' floor work was outstanding.

WESLEYAN, 21; MILLIKIN, 16

Millikin's first Little 19 loss of the season came from the hands of its old rival, Wesleyan. It was probably the most exciting game of the season for the home fans. Millikin led at the half by a narrow 8 to 7 margin. Holmes and Merkleback deserve particular mention, although the whole team played stellar ball. A very tight defense and a long-shot artist named Baker were chief factors in Millikin's defeat.

BRADLEY, 35; MILLIKIN, 15

Millikin sustained its second conference defeat when it met Bradley Tech at Peoria. The contest was the first following examinations and a two-week lay-off. It was also the first contest for Charley Smith, captain-elect, who was ineligible during the opening semester. Dahl and Harpstrite led the Blue's scoring.

MILLIKIN, 49; LINCOLN, 25

The second contest with the Railsplitters was a repetition of the first, a walkaway for the Blue. However, it wasn't until the last 10 minutes of play that Millikin ran up its big margin over Lincoln.

MILLIKIN, 35; AUGUSTANA, 22

The Viking invasion from the north was thwarted here February 8, the Gill team turning the game into a rout and winning by a 13-point margin. Dahl, playing his first game on the home court, showed up well, while Smith and France led the scoring.

MILLIKIN, 35; ILLINOIS COLLEGE, 22

Millikin struggled through a listless game to trim the Collegians at Jacksonville. The only important feature outside the frequent changes in the lineups, was that the victory kept the Blue on a par with Wesleyan in the Little Nineteen flag chase. Charley Smith dropped in sufficient points to gain high-scoring honors.

ST. VIATOR, 26; MILLIKIN, 23

St. Viator reversed the decision on Millikin in the second encounter between the two schools. However, another overtime game was required before the Blue fell before their opponents. The game was close throughout, but a three-point lead by the Irish in the overtime proved too much for Millikin. Smith again distinguished himself as point-getter.

MILLIKIN, 38; ILLINOIS COLLEGE, 19

Every man of the squad was "on" in this game, and Illinois College was smothered. Individual stars would be difficult to find in this contest. Holmes was high-point man with Smith and Dahl giving him a close race.

WESLEYAN, 31; MILLIKIN, 15

The Methodists clearly outclassed the Gill team in this match. Meehan was the chief contributor to the downfall, the Wesleyan forward counting 19 points.

MILLIKIN, 30; MONMOUTH, 28

Monmouth surprised the Blue warriors by grabbing a 16 to 13 lead by half-time and forced Millikin to come through with a last-half attack to win. France featured in the second half comeback.

BRADLEY, 42; MILLIKIN, 25

Rolling up a big lead in the opening half, Bradley grabbed its second straight win over Millikin in the final conference game of the season. Millikin outscored the Hilltoppers in the second half, but could not overcome the tremendous scoring advantage. Wesleyan was the only other team to trim Millikin twice during the season.

To relate the outcome of Millikin's 1928 baseball season is a sad task. The season was far from being a poor one, for not until the very last game of the campaign did the Blue meet defeat within the Little 19 conference. But that lone defeat, coming at the hands of St. Viator, shattered a long-cherished championship dream held by Coach Leo Johnson and his charges.

After a very successful southern trip, the Millikin squad began warfare within the conference by tamping Lincoln College, 8 to 1. Seven more Little 19 teams fell before the Blue and then Johnson ordered his team to Burbonnais for the final tilt of the season.

Hankins and Gidcomb had been turning in masterful performances from the box throughout the season, but Johnson elected to start Andrews against the St. Viator bunch, a team Millikin has not beaten in baseball for the last ten years. Andrews injured his arm during football in 1927 and had spent the major portion of his time at first base.

But for all that, Andrews might have been returned a victor had not his mates committed three errors in the second inning which, coupled with two hits, allowed five runs to cross the plate. The Blue never could overcome this margin, although it tried desperately, and the contest ended 6 to 5 in favor of the Irish.

FRANK CHIZEWSKI
Captain — Left Field

In the meantime Bradley had also gone through the season unbeaten, but on the same day St. Viator trimmed Millikin, Knox put the skids under the Techmen. The score was 9 to 5.

Under ordinary circumstances, one would judge that the race should have ended in at least a tie, but not this one. One game postponed during the season due to rain left Millikin with a record of eight wins against one loss. Bradley, on the other hand, managed to play off all its engagements and although it too lost one game, the one extra contest it concluded yielded nine victories and a consequent championship.

And so goes the hard-luck story.

However, taking the season as a whole, it was great. Only two games were lost and both of those defeats can be attributed to errors. The one setback has already been cited. The other occurred on the Southern jaunt, a flock of errors giving Memphis a ten-inning struggle.

The remaining skirmishes, 11 in all, were recorded as victories. Ten of these came in succession. Southwestern was beaten in the first tilt at Memphis and after losing the second, the Millikin squad traveled to Jonesboro where it whipped the Arkansas Aggies twice.

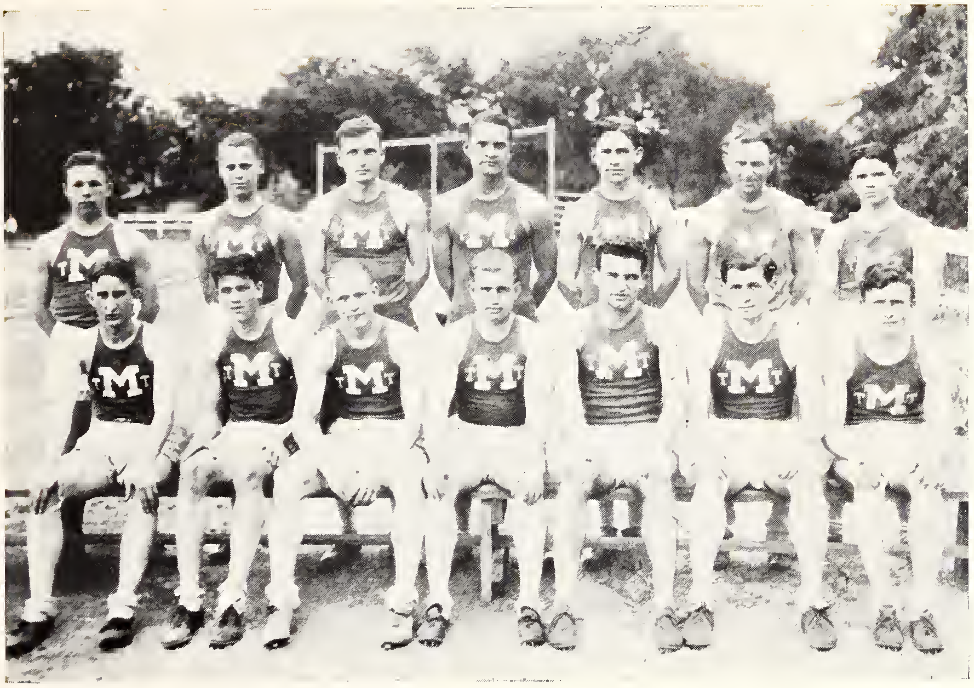
Returning to Illinois, Millikin triumphed over Lincoln, Charleston, Wesleyan and Illinois College in two-game series with each. Then came that thunderbolt from St. Viator to scorch the Blue's title aspirations.

Millikin boasted a team of hard-hitters who were usually consistent about it. The pitching was also superb, Hankins and Gidcomb turning in strong exhibitions upon every appearance in the box.

The most one-sided affair of the season was a 13 to 1 verdict over Lincoln, while the close struggles were with St. Viator, Wesleyan and Illinois College. The Methodists were beaten, 3 to 1, while the Collegians suffered a 4 to 2 loss. Illinois College aided in the slugfest of the season, but finally went down under a 15 to 11 count.

ENGLEBERT GIDCOMB
Captain-Elect — Pitcher

1928 TRACK SEASON



Vise, ——, Resh, Gidcomb, Harris, Miller, Smith
Tidwell, Jester, Harpstrite, Stiegemeier, Sockler, Pechar, Alderson

Although the Blue squad met with indifferent success during the 1928 track season, there were certain highlights which deserve particular mention. Millikin participated in three dual meets and the conference meet at Monmouth. The Gillmen ran wild in the initial meet with Lincoln College and in this meet Captain-Elect Harpstrite tossed the stick 194 feet in the javelin event, approaching the state record.

In the second contest, Millikin lost to Illinois College, but Captain Stiegemeier, Jester, Resh, and Harpstrite all garnered first places, while Randolph, Tidwell, Sockler, Vise, Laue, Gidcomb and McClelland accounted for points. At Peoria the Blue invaders were repulsed, but took three firsts in the javelin, low hurdles and high jumps.

Millikin placed in the final conference meet at Monmouth which was won by Knox College. Men placing were: Harpstrite, second in javelin event; and Jester, second in high jump event.

Ted Harpstrite, *Captain-Elect*

SWIMMING—1928

Earl Hankins, *Captain*
Fancy Diving Champion

The Millikin tank team showed up well in the State Meet at St. Viator, considering the short time and scarcity of swimmers available.

Captain Earl Hankins was the bright light of the meet, taking first in the fancy diving for the second consecutive year. Stoddart won second in the 100 yard breast-stroke, but Fawley was eliminated in the free-style preliminaries.

Wesleyan copped both the silver loving cups offered—one for high-point team of the meet and the other for winning the 200 yard relay.

TENNIS—1928

James Dunning Davis Douthit

Captain-Elect *Captain*

Millikin's tennis team concluded a successful season, during which not one dual meet was lost, by placing second in the Little 19 conference tournament in both singles and doubles.

Dave Douthit, captain of the team, lost the final singles match of the tournament held at Monmouth to Messick of Knox by scores of 8-6, 3-6, 6-4, 6-4. Douthit and Jimmy Dunning lost in the doubles finals to Messick and Diemer of Knox by scores of 6-3, 7-5, 6-4.

In dual meets Millikin net players won three out of six matches from Wesleyan, seven out of ten matches from Illinois College, and five out of six matches from Normal, a total of 15 matches won out of twenty-two played, exclusive of tournament play. Neither Douthit nor Dunning lost a single match in either singles or doubles in pre-tournament play.

Those making up the squad, which was under the management of Prof. H. P. Rogers, were Dave Douthit, captain, Jimmy Dunning, Ford Dickerson, Harvey Tucker, Oliver Miller and William Petty.

Helen Hays

Millikin's Annual Invitational Tournament was held on Millikin Courts last spring. Millikin's doubles team lost in the semi-finals to Wheaton who were in turn defeated in the finals by Monmouth.

Helen Hayes who represented Millikin in singles won her first match, but was defeated in her second by Miss Doris Holt of Monmouth, who won the championship cup.

For at least two hours a week and in many cases more than that the girls abandon their scholastic work, bedeck themselves in comfortable "Gym" attire, and devote their time to recreation in sports, dancing, reducing exercises and what-have-you? And you should have seen them giving their original (get that) original dances to get a grade on the final exam.

BASKETBALL WINNERS

Z T A

Zeta Tau Alpha claims the championship and trophy awarded to the winner from all other teams in the Millikin Women's Interorganization tourney. They won their final game, 12 to 11. Dorothy Cope pitched the free-throw that won them the tournament. Mae Ross Taylor and Jo Ross were the outstanding guards. Frances Wilson was captain.

The traditional Freshman-Sophomore Scrap was played shortly after Homecoming. Miss Hickernell started drilling both teams early in the fall. The Sophomores out-played the Freshmen in both technique and teamwork to win by a score of five to one. Helen Kuhle, who captained the victorious Freshman Hockey team the previous year, and who is an all around athlete, was again captain of her team.

The 1928-29 Student Council organized early in the fall of the school year and kept active throughout the entire nine months of the college year. The first work of the council was to supervise the Homecoming week program, which was done in an efficient manner.

The Student Council also purchased two loving cups to be awarded annually to the fraternity and sorority having the highest average in scholarship.

Towards the close of the year, the Student Council undertook a survey of all the activities of Millikin students to determine the extent of extra-curricular activities in regard to scholarship.

Under a capable leader this year, the Student Council stood out in affairs of the college much more than it had in the last few years.

The Home Economics Club is sponsored by the girls in the Home Economics Department.

At the meetings subjects of interest are discussed by women outside of Millikin. One of the most interesting discussions being given by Miss Hansen of Ames College.

Probably the most outstanding problem completed by the club is the Spring Style Show of which Helen Moffet was chairman this year.

The French Circle was organized in 1902 at Millikin, and is one of the oldest clubs. It is a member of "La Federation de l'Alliance francais," and is limited to only the members of the junior and senior classes and to exceptional sophomore students.

Meetings are regularly held once a month, and interesting programs are given to further the interest of the French student.

The French Club sponsors' "International Night," which, with the aid of the Spanish Club and the German Classes, takes place annually.

SPANISH CLUB

OFFICERS

The first regular meeting was held at the Alpha Chi Omega house on December 13. Mrs. Aguerrevere gave a very interesting talk on the women of South America, and Mr. Bear told of his experiences on the mule boat while en route to Spain last year.

The second meeting was on February 7th, at the Tau Kappa Epsilon house. A very detailed description was given by Miss Blackburn in her talk of her visit to Mexico two years ago. Among the many interesting sights of which she told us, was the historic Mexican Pyramids of five thousand years ago. Miss Marion Pease gave a vocal solo, "La de ojos Azules," and Miss Dorothy Abaly gave a Spanish dance.

On March 7th the students of the various foreign language departments held an International night. Miss Helen Hickernell gave a Spanish waltz, accompanied by Miss Olivia Fischer.

All students taking Spanish are entitled to membership in the club. The last meeting was held at the Delta Delta Delta house on March 21st.

The club was more or less idle this year because of the discontinuance of the contest at Chicago which had attracted much attention in universities in the middle west. Active membership in the Biology Club is limited to members of the staff and to certain chosen students of the Department of Biology. All majors in the Department of Biology and underclassmen who show a scientific attitude toward their work and are selected by the club, are members. The purpose of the organization is to foster scholarship and to cultivate interest in biological questions. Programs consist of talks by student members, staff members and professional and scientific men of Decatur or neighboring towns and universities.

The Biology Club meets regularly on the second Wednesday of every month. Activities of the year are closed by a traditional picnic held some time in May.

The club's emblem, appearing above, has a special significance to every member of the organization.

Things I Love Versus Things I Hate

The things I love are many,
The things I hate are few,
For hate is like a flower
That's missed by morning dew.

For love moves near and very slow,
While hate moves fast with far to go,
So when you plant a seed of hate
You are but sowing your own fate.

All pretty things there are I love,—
The earth below the Heaven above,
The winding streams that ever flow,
The sun, the wind, the rain, the snow.

I love the stars, I love the moon;
The happy days that end too soon;
The moonlight nights, the months within;
The crickets and their merry din.

I love the lad, I love the lass,
Who, someday, through this world will pass.
I love the rich, the poor, the great,
And all who'll pass through Heaven's Gate.

I hate to have an untrue friend,
One who believes he is God, sent.
But when it's time for him to aid,
He's just a coward and is afraid.

I hate the girl or boy you meet
Whose pals are falsehood and deceit.
These things I will not, cannot bear
As those around are well aware.

All these things, then, I love and hate,
And others which I can't relate,
But please remember, the God above
He did not hate, He only loved.

CALENDAR

Dedication

To those unfortunate personalities,
the Calendar editors of next year's Millidek,
(who will have to read it to know how to write theirs)
we do dedicate this journal.

Editors' Note: But we wish to assure the reader—if any—that that is not how this one came into being. There wouldn't have been any calendar this year but for the fact that one dark night a much mangled manuscript was found in Mr. Goleman's wastebasket. (It appears there are more ways than one of reaching others' minds—such as through others' wastebaskets.) The document seemed to be a diary, but most careful scrutiny and cross-examination failed completely to disclose the writer's identity and did, in fact, only robe him in a dense cloak of contradictory evidence and conflicting personality only excelled by that of the Messrs. Dr. Jekyll and Mr. Hyde. So we present it to the reader, feeling that in such a case all the facts should be known—whose diary? $100, reward for any information leading to the apprehension and detention as a target for the forthcoming "vegetable rush" of the unknown author.

SEPTEMBER

Sept. 6, 7, 8—TEKE NATIONAL CONVENTION. Tekes are having big doings these days. Poor old Bill Martin gettin' worked to death finding dates for the big dance. Migosh, he even wanted my sis for a date. Understand lots of Zetas were present.

Sept. 10—FRESHMAN REGISTRATION. Mooned around most of the day with some bird from Tuscola, big football man. Got his program fixed up, wheeled him around in the old barge, and took him over for dinner. He's gonna talk it over with his folks, but I think we've got him about lined up. He's gotta go over to the Delta Sig house tomorrow for lunch, but he's got more sense 'n to lissen to that bunch.

Sept. 11—REGISTRATION FOR UPPER CLASSMEN. Huh! Delta Sigs high-pressured that guy after all, and after I'd gone to all that trouble. Boy, I'll bet they sure fed him full. Oh, well, guess he wasn't right bright or he'd a seen through 'em. We've got all the pledges we really wanted, anyway.

Sept. 12—Y. W. WALKOUT. Guess Bill Huston hires the Y. W. to stage a walkout each fall to plow down the grass on the back campus. Fust rate missionary training, too. Nothing like mosquitoes to test the endurance, and half-done barbecues are the next things to cannibal food. Also good hell-week training, although the Theta Gammas and Tekes don't call it that, any more.

Sept. 13—Y. W. C. A. BANQUET. Candlelight and half-helpings of eats. Sure it was a Y. W. banquet. Gave the Freshmen a good chance to study pin holes and see what scandal societies everybody belonged to!

Sept. 14—Y. W. RECEPTION IN GYMNASIUM. SWEATERS AND BIG PEP MEETING IN CHAPEL. Over at the reception tonight and lined up a date for Sunday night. Looks pretty good, too. Some freshman from Geneseo.

Sept. 16—STUDENTS INVITED TONIGHT TO WESTMINSTER CHURCH FOR LUNCH AND DISCUSSION. Pretty good show at the Lincoln tonight. Good date, too.

Sept. 17—FRESHMAN CAPS ARRIVE. Boy, you sure do learn how to make money at college. Alpha Omega sells caps for $1.00 each.

Sept. 18—Say, boy, but there sure is a swell bunch of classy dames in the freshman class this year. And to think I was wondering whether to come back to college or not. Got a bet with Bill Wherry I get a date with Cauline before he does. Boy, she's all there. Hope the Pi Phis don't get her.

Sept. 20—FIFTY TRYOUTS FOR HOMECOMING PLAY, "KEMPY."

Sept. 21—SALE OF LAST YEAR'S MILLIDEKS. Carthol W. tried to get rid of last year's Millideks today. Sold three, I hear. Migawsh, it'll be hard enough to sell this year's.

Sept. 22—FRESHMAN FLAG FLOWN FROM TOWERS. Freshman sorta rushing the season. Flew their flag off the tower today. Guess they don't know how funny their Irish rag looks with their red country necks, draggin' it out so soon. Oh, well, the sophs'll prob-ly tell 'em.

Sept. 24—SENIOR STAIRS STARTED BY ALPHA OMEGA. Alpha Omega started a new tradition today, senior stairs, just for seniors. Won't work, though. It's a darn good idea, too. Millikin needs some traditions like that.

Sept. 27—STUDENT COUNCIL MEETING. Student council meeting this noon. New "Keep Off the Grass" signs for the campus, maybe. Bill Martin elected president. They'll make him into a chapel monitor and a model young man yet. He gets in three more inches to the step now. It's the busy man who does things.

Sept. 28—ROSELYN PEASE WINS POPULARITY CONTEST. Gosh! Glad the Y. W. don't run but one popularity contest. Cost me $3.18 and I don't get a thing out of it. Could had a good date on that, too.

Sept. 29—MILLIKIN, 3; LOYOLA, 0. Whoopie! Looks like we're gonna do something in football this year, taking Loyola down like that.

OCTOBER

Oct. 2—W. A. A. ELECTS OFFICERS. Hear Abaly got elected W. A. A. president. Always knew that girl had ability as a leader. And now she's been elected president of the W. A. A. Wonder what it is, anyhow?

Oct. 3—DR. PENNEY SPEAKS TO Y. W. Had a date with Patsy Kinnaman tonight. She's all enthused over Y. W. She said Dr. Penney made the grandest speech this afternoon. I guess the Y. W. does do lots of good with the girls, but somehow, I don't believe a Y. M. would get over very big.

Oct. 6—MILLIKIN, 12; CHARLESTON, 12. Cut three classes today to go to Charleston and then we almost got beat, besides Van Dyne getting three ribs broken. Referee lost us the game, anyhow.

Oct. 10—SENIOR MEETING AT TEKE HOUSE. Senior meeting. Dues decided* dancing and refreshments. All the seniors need to do now is get a couple of Greek letters and jewelled pins and be a regular frat—co-educational, too.

*Marginal note: Treasurer's report, Jan. 25—three paid dues.

Oct. 12—DEC STRAW VOTE FOR U. S. PRESIDENT—3 to 1 for HOOVER. Well, Millikin's still Republican, even if it has sorta thrown down the Presbyterians.

Oct. 13—MILLIKIN, 6; WABASH, 6. That just shows what comes of having all the pep meetings in chapel we've been having. First time we ever did come close to beating Wabash. Tied 'em six apiece.

Oct. 18—DEC HEAD "EDUCATIONAL FRAT WILL HAVE OFFICE IN MAIN BUILDING."

Oh, yeah, the Kappa Phi Kappas have come into a little legacy, an office—third floor and hunt. They're planning a house-warming soon—one member admitted at a time. Principal speaker of the evening will be Prof. Jones on "The Closet Drama."

Oct. 20—Those Friday chapels. Say, these Friday chapels they've been putting on this year are swell. Lotsa pep. Gets the old school spirit goin'.

That's the thing to do all right. No use going to college, anyway, unless we can work up a lotta encouragement for the football team.

Oct. 22—SENIOR JACKETS. Senior jackets came out today. Glad I'm not a senior.

Oct. 25—All the traditional organizations are beginning to get warm now. Dec out today. Headlines, "DO MILLIKIN STUDENTS TAKE THEIR RELIGION SERIOUSLY?" (Student volunteer advocates begin to be active.) And "PI MU THETA WILL AID WOMAN'S ATHLETIC ASSOCIATION IN PLANS FOR YEAR." (o x o—?) Laugh! I thought I'd die.

Oct. 26—M CLUB CHAPEL—FRESHMAN MILLIDEK—MILLIKIN, 6; WESLEYAN, 2.

Exodus—Millikin removed to Bloomington, and not because all Decatur bootleg exhausted. Zetas take advantage of grand opportunity to sprout fur coats and impress rushees. Power to 'em.

Oct. 29—SORORITY RUSHING BEGINS.

NOVEMBER

Nov. 1—RUSHING CONTINUES.

Say, these girls sure do rush. It's a good thing they don't carry pistols around. The school would be getting thinned out for sure.

Nov. 2—MILLIKIN, 62; LINCOLN, 0.

Had pigskin battle with Lincoln by the light of the moon tonight, although the moon was a number of square spotlights. Romantic atmosphere, was furnished by rainpour and squeaking "sorores" trying to keep their chiffon tails out of the mud. (Oh, yes, we are rushing—now, honey, I wouldn't influence you, but I just know you'd be happier in S. A. I. than anywhere else. Oh, yeah, oh, yeah.)

Nov. 3—SORORITY PLEDGING.

Well, the sororities finally got their freshmen pledged. Looked kinda bad for the Alpha Chi's for awhile, though.

Nov. 4—Had a date with "Liz Fink tonight. Boy, the Alpha Chi's sure are getting stepped on. Don't blame 'em a bit for kickin.'

Nov. 5—Had a date with Emily McDavid tonight. Well, I don't know. Kinda looks like the Alpha Chi's got what they deserved.

Nov. 6—Talked with Jess Fanyo today. Aw-w-w! I'm beginning to think women are all no good.

Nov. 8—DEC HEAD, "USUAL PEP MEETING WILL BE HELD IN CHAPEL TODAY.

Nov. 9—TRI DELT DANCE.

Went to Tri Delt dance tonight. Good gosh! How nice women have to be to each other. Several Alpha Chi's were invited and what's more, they came.

Nov. 10—MILLIKIN, 25; ILLINOIS COLLEGE, 0.

Boy, we got a darn good football team. Walloped Ill. college today. Can't decide who to take to Bloomington for the hop.

Nov. 16—Homecoming—"KEMPY," FROSH-SOPH SCRAP.

Homecoming and homecoming spirit rife throughout the campus—only the sophs don't dare come home; too many freshmen. Even Miss Allin got mixed up in this morning's corridor battle, but the paddle toll, we think, wasn't very large.

Nov. 17—HOMECOMING—HOMECOMING PARADE—MILLIKIN, 14; BRADLEY, 6.

Tri Delts managed to drag down a cup at last—floated a float in the homecoming parade. Newspapers called it a crescent boat. Well, maybe it was. The rain washed all the paint off the oars, but didn't seem to do much good with the faces. Pi Phi house got first for being futuristic—I mean more futuristic!

Boy, that guy Corbett sure shakes a mean hoof getting through the line. I guess beating Bradley just about makes us champions.

Nov. 23—MILLIKIN, 19; ST. VIATOR, 0.

DECEMBER

Dec. 5—$200,000 FIELD HOUSE ANNOUNCED AT FOOTBALL BANQUET—ENGLEBERT GIDCOMB CAPTAIN.

Boy, this school's comin' right along. It'll be up with the best of them if it can just get some more good athletes. Basketball men, that's what we need now.

Dec. 7—THETA GAMMA DANCE.

Theta Gamma dance tonight. Had a date with Helen Moffet, fortunately.

Dec. 10—LAMBDA PHI DELTA INITIATION.

Just got back from the library. Lambda Phi Delta having initiation in the study. Y'oughta heard the howls—thought the sisterhoods didn't believe in rough house! But I guess it was only the Alpha Chi's and Pi Phi's fighting again. They had to put the Pi Phi initiates in one room, Zetas in another and so on, to keep 'em out of trouble before the service. Great life!

Dec. 12—Y. W. CHRISTMAS SONG SERVICE (MEN INVITED).

Y. W. havin' its him-hymn service today. Fine chance for the women to show their eyelashes and feminity! You don't get me roped in on anything like that, no sir!

Dec. 13—SPANISH CLUB.

'Nother hot Dec out today—mostly blowing on *In Abraham's Bosom's* coming to Millikin. Another plot of the Dean and the English dept. to get us cultured, I swear. Like to know what culture a bunch of niggers could teach—culture of cotton, I guess.

Dec. 18—EIGHTH ANNUAL VESPERS.

Vesper service this afternoon. Ford Dickerson sure looks nice in a lace curtain! And the Pi Phi's sure rate the madonnas — such madonna-like dispositions, no doubt! The only kick I got is those things always come after class hours when you might be seeing a good show at the Empress.

JANUARY

Jan. 5—PROVINCETOWN PLAYERS CANCEL PERFORMANCE OF *IN ABRAHAM'S BOSOM.*

Just talkin' to Jack Holt. Oh yeah, once the English dept. got beat—*In Abraham's Bosom* been canceled. An awful pity these Millikin students have to be kept "so provincial!" Oh, yeah! Oh yeah!

is becoming more and more helpful day by day in more and more ways, over a wider field, to more and more people.

This was not brought about by governments, Socialists or societies. It has been made possible by the initiative, courage, vision, work and brains of the men in this industry.

Many experiments in applied Socialism have been made — attempting to bring it down from the misty heights of theory and apply it to the facts of everyday life. Quite a number of these experiments have been tried in America.

Every single one of them has failed. Not one made any contribution to civilization; they left not a single invention, tool of trade, work of art, industry or scientific discovery.

Jan. 9—KAPPA DAY.

Well, the Pi Phis got their name read off in chapel again today! Last time it was for getting the Millidek subscription cup (guess maybe the Kappa Delts know something about how) and now for scholarship (anybody who hangs around after classes knows how there) so I guess the Pi Phis are pretty smart! Wonder how it feels to be a Zeta.

Jan. 11—DR. SEILER, "FLYING YANK," IN CHAPEL.

We had a *real* speaker in chapel today—Dr. Seiler, "Flying Yank," they call him. Talked real sense, none of your "Religious Competitions." We oughta have a lot more fellows like that—get the students interested. Mighty glad to see the people who do things appreciated him; Patsy K. got him to talk in Y. W. He was a keen speaker, I'll tell you.

Jan. 21-26—EXAMS.

Never had such mean exams. Think exams oughta be abolished anyhow. Rotten grades! A fellow can't play the profs the way the Pi Phis do—isn't any way for a fellow to make grades. Rotten world anyhow!

Jan. 28—NEW SEMESTER BEGINS.

Guess the Sig Alph treasury must be low. Saw 'em over at school pledging a new fellow and they had to take off Freddie Gaines' pledge pin to do it. Great world!

FEBRUARY

Feb. 1—LECTURE—PROF. GEO. BAKER OF HARVARD.

Had to go to a lecture tonight. Have to waste too much time around this place—Friday night's sposed to be date nights. Guess the Theta Gammas 're the only ones who like lectures. Glad somebody does.

Feb. 5—MISS McCASLIN FAWS DOWN AND GOES BOOM.

No English this morning! Miss McCaslin fell down and broke her elbow. Guess we sure had a vacation coming to us anyhow! Glad I'm takin' English this year instead of last.

Feb. 9—DELTA SIG AND KAPPA DELT INITIATIONS—ALPHA CHI TEA FOR PLEDGES.

Alpha Chi's had a tea for pledges this afternoon. Guess they had a lotta food, too; Holben wasn't hungry tonight! Pretty nice! Looks like the Alpha Chi's sure were working to get a stand-in. Wonder what their game is.

Feb. 11—LECTURE—JOHN T. FREDERICK ON THE LITERATURE OF THE MIDDLE WEST.

Another lecture. Darned dry!

Feb. 16—TRI DELT "CAMPUS BRIDGE."

Over at the Tri Delt house tonight—nice sociable little bridge party—nice and slow! Plenty of Sig Alphs there. Guess they have to put up with a lot to rate the Tri Delt formal!

Feb. 21—LECTURE—ALFRED ADLER, PSYCHOLOGIST.

Some Dutchman lectured on psych tonight—darndest lecturer I ever heard. Hope all the Dutch Tri Delts understood him. I sure didn't.

Feb. 22-23—D. A. E. CONVENTION AT U. OF I.

D. A. E.'s having convention at Champain. Wonder if the town'll hold them. 'Fraid all the women'll pass out while they're gone..

just taste
that wonderful flavor!

WHY IS A WAFFLE?

FOR that matter, what is a pancake? Some wise-cracker has said that a pancake is not a food. It is merely a good way of eating Staley's Syrup with a fork! And the waffle . . . well, waffles are non-skid pancakes, and their excuse for existing is because they are delicious with good syrup.

But have you ever tasted them with Staley's Syrup? Then you will really know why waffles were invented.

Insist that Mother, or the fraternity house cook, sorority house cook, or whoever has the honor of feeding you . . . insist that they provide Staley's Syrup on those crispy brown waffles or golden pancakes.

When someone suggests "let's make fudge" don't forget Staley's Crystal White Syrup. Nothing compares with it for super results in candy-making. Right here we might say that future brides are invited to send for the free Staley Recipe Book.

We just hope Millikinites are as strong for Staley's Syrup as we are for Millikin.

Feb. 23—PAN-HELLENIC SESSION WITH N. P. C. REPRESENTATIVE.

Big Pan-hellenic pow-wow this a. m. over Alpha Chi rushing. Went back to the year one, I guess. No formal, says pan-hell. Huh! Guess none of the Alpha Chi's will be flustered about going to two or three frat formals.

Feb. 26—WESLEYAN, 31; MILLIKIN, 15.

Went up to Wesleyan to the game, but we got beat. Pretty good date though! (An ΣΑΙ too, who said they were slow?)

Feb. 27-28—RELIGIOUS EDUCATION TALK—DR. GAGESBY

Guy with a beard and nose glasses talked on religion in chapel this a. m. Just about came out and asked for converts. Was about to go up, but I guess I got all the religion I want. Nix on chapel to-morrow.

MARCH

Mar. 1—LECTURE, NORMAN THOMAS—RELIGIOUS EDUCATION TALK, DR. GAGESBY.

Went to the show after the lecture. A guy's got to have some pleasure—only some guys don't know how. A lecture isn't enough; they stay around for discussion afterward. Glad I'm not smart!

Mar. 6—SENIOR PLAY.

Seniors spouted *The Torchbearers* to-night. Pretty fair! Lot of action! Couple of Tri Delts in the first row though and I was kinda scared maybe they'd forget themselves and go ask Draser for the house key or something; she was so natural and kinda unconscious. Thought Prof. Jones directed the play, but I guess maybe he wasn't there to-night; Nannette Guest seemed to have all the worry. She got awful rattled—right out on the stage. But maybe that's art—beyond me anyhow!

Mar. 6, 7— Y. W. NATIONAL OFFICER AT MILLIKIN.

Y. W. officer here. Women improved already; dates no good any more; nobody necks. Rotten world!

Mar. 8—SOPHOMORE COTILLION.

Went to Sophomore Cotillion to-night. Heap big policeman there—take care of Goleman and Hickernell, I guess. Pretty good dance.

Mar. 19—PAN-HELLENIC BANQUET.

My girl went to the Pan-hellenic banquet to-night. Hope she has to sit by an Alpha Chi. Serve them both right.

Mar. 23—SORORITY INITIATIONS.

No date to-night—"sorors" too busy initiating. Seven must be the password in all the sisterhoods—7 Alpha Chi's, 7 Pi Phi's, 7 Tri Delt's, 7 S. A. I's.

Mar. 26—STYLE SHOW.

Went to the Style Show. Pajama display pretty good. All the Spanish dancers had red hair. Laugh! thought I'd die!

Mar. 27—VACATION BEGINS—TEKE FORMAL.

Going home to-night. Tekes having their formal. Hope it rains. They sure flatter themselves their dances're the thrilling beginning to a woman's vacation;

APRIL

Apr. 4—SCHOOL BEGINS.

Back in school. Pretty rotten! Had a keen date to-night though. Spring's sorta in the air. Not such a bad world! Think maybe I'm gonna fall in love. Hot doggie!

WHERE ARE THE "SPENDERS" OF YESTERDAY?

. . . Remember the young men who were noted as "spenders"? You had some among your acquaintances, of course. Fine fellows . . . free spenders . . . always willing to "treat." But — where are these young men today? Chances are they still spend their income as fast as they receive it. Nothing laid by for the future.

Isn't it better to be less free with money and more free from worry? If you think so, why not open a Savings Account in this bank today?

SAY FELLOWS — didja ever date up that sweet mama, and take her out to make whoopee when circumstances or somethin' forced you to buy a couple wheels on a Yellow cab? After the big time of course she developed a heavy thirst — and your funds were almost nil? When — *Eureka!* — you found yourself right in front of a WALGREEN drug store, and you said — "Say, baby, let's try one of those doubl' rich chocolate malts you hear so much about?" And she said "Oh alright" indifferently? But as you left, she squeezed your hand and whispered "What a wonderful idea, ole dear—that certainly was the ver' best malt I've ever tasted. Let's come here a lot? *We say again — didja ever?*

SPRING ODE

By Burt of Lincoln

A passerby walking on old Wood Street
Suddenly silenced his noisy feet—
He looked toward the sky in silent wonder
And he saw by the stars it couldn't be thunder.

As he slowly started to go
He was filled with a great desire to know
The reason and whyfore of such a din
Coming from the Kappa Delt house, or rather from within.

Little did he guess that the cause of it all
Was the Kappa Delt Chorus in the slumber hall.
Yes, 'twas the truth about the noise
'Twas only the sleeping Kappa Delt Boys.

DAUGHTER!

The lights are not so bright at twelve o'clock,
The mists are 'round the town—
But oh, I love the hour of twelve o'clock;
I will not pull the curtain down!

There's the blur of the near light,
There's the red of the far,
There's a glimmering puddle,
There's a patient star.

Oh, I love the hour of twelve o'clock,
I will not climb the stair!
There's a fatal note to the crowing cock,
There's a ghost in the corner there.

MODERNIST.

Out of God came Adam,
From Adam came Eve;
The doctrine of descent states
That the last evolution is the fittest.
Men, laugh that off!

ELECTION DAY

I am the woman voter.
Ten years ago my sisters
Fought for my suffrage, and won.
As a result of their victory
I vote. Every election day
I go to the polls
And carefully mark my choice.
Always I am logical and open-minded:
I vote for the one my husband asks me to
Or the one with the nicest, kindest name
Or the one who sent me a blotter.
My sisters!
I am keeping the tryst.

THE CO-ED WHO WALKED HOME

Before she'd left her mother,
That ill-fated day,
She'd decided to heed
Her advice, strange to say.

So she'd walked two weary miles,
Had this fair co-ed,
And now she wished she'd gone ahead
In spite of what was said.

Her feet were blistered sore,
From her long, long walk;
One heel had been rubbed raw
In just the last block.

"You can say all you want
'Bout not givin' in,
How holdin' to your principles
Helps you to win.

"But," she thought, as the steps
She tried to climb,
"Tomorrow when I come from class,
I'll ride and pay my dime."
—Adv. I. P. & L.

Oh, the sorrows of a Freshman!
Oh, the trials that are his.
'Twould fill the angels with sorrow
If a Freshman they should quiz.

For the teachers call them silly,
And they don't feel very wise
When they look up at the Seniors
Adoration in their eyes.

Four long years! It seems a century,
'Ere they mingle with the blest,
And, from the heights of knowledge,
Look with pity on the rest.

The eagle is the bird to soar,
The hawk is king of the woods;
The mocking bird can sing the score,
But the hen delivers the goods—Ex.

"You big bonehead," shouted the construction superintendent to his Swede foreman, "I told you to fire that man and you hit him with an ax!" "Well, boss, does ax she have sign, 'For fire only'!"

The sweet young thing had broken her glasses. She took the remains of them back to the optometrist. "I've broken my glasses," she said. "Do I have to be examined all over again?"

The young optometrist sighed. "No," he answered, "just your eyes."

This appeared in a Freshman's composition on the civil war: "General Lee had on a fine uniform, shiny sword and spurs, while General Grant had nothing on but a ragged old Union suit."

A dusky son of Alabama was busily engaged in a cootie hunt, when asked by a Sergeant what he was doing.

He replied: "I'se a huntin' fo' dem 'rithmetic bugs."

"Why do you call them Arithmetic bugs?"

"'Cause dey add to ma misery, dey subtracts from ma pleasure, dey divides ma attention and dey multiply like hell."

"What was the name of the last station we stopped at, mother?"

"I don't know. Be quiet, I'm working a cross-word puzzle."

"It's a pity you don't know the name, mother, because little Oscar got off the train there!"

And their dryness makes you groan,

BLUE RIBBON ANNUALS

"A HERALD PRODUCT"

IT IS obvious that in this age of quick transition what is modern today becomes obsolete tomorrow. Consequently the personal service rendered by specially-trained individuals who are continuous students of the best and most up-to-date in Annuals is of far greater importance than anything else next to perfect mechanical work. The School Annuals that are year after year produced by this organization are testimony to the efficiency of the plan and company and assures the continued leadership.
